BackBeat FIT 2100

Rugged. Stable. Designed for the outdoors.

BackBeat FIT 2100

Embrace the outdoors with rugged and ultra-stable BackBeat FIT 2100 wireless sport earbuds, featuring Always Aware™ eartips that allow you to hear your surroundings for safer training in any environment. Built with waterproof and sweatproof materials, its secure-fit earloops stay put and withstand rigorous exercise, while its lightweight design keeps you comfortable. And with up to seven hours of wireless listening, you can power a full week of workouts.

KEY FEATURES

- A** Hear your surroundings with Always Aware eartips
- B** Soft, flexible, and secure-fit earloops
- C** Sweatproof and waterproof
- D** 13.5 mm drivers

TOP FEATURES

- Stay visible and hear your surroundings with the reflective finish and Always Aware eartips
- Soft, flexible and secure-fit earloops provide comfort and stability
- Up to seven hours of wireless listening between charges
- IP57-rated durable, sweatproof and waterproof earbuds
- New My Tap feature offers customization through the BackBeat app
