Ultralight and compact

Also available in black

plantronics

Great sound in a small package

BackBeat® GO

Plantronics BackBeat GO wireless earbuds – incredibly small, amazingly light. Perfect for music, chats, games... whatever.

BackBeat® GO

scan to watch video

Love the sound, lose the cord. No wires, no hassle, no compromise. Easily slips into your pocket, but still pumps out full-on stereo sound. Listen to music, chat with friends, or watch movies on your tablet. Even play games on the go. Comfort? No problem. There are three sizes of cushioned eartips for the perfect fit. Incoming call? Inline controls let you take a call, change volume, or change tracks. Android™ and iPhone battery metres show you the earbuds' battery level and a smart 2-in-1 USB charging cable keeps your BackBeat GO and smartphone charged and ready to go.

KEY FEATURES

- Amazingly light, incredibly small wireless stereo earbuds with microphone
- Compact design easily slips into your pocket and tangle-free cable keeps things simple
- Enjoy your favourite music or movie with up to 4.5 hours of listening and talk time
- Protected against sweat and moisture damage by P2i technology
- Three sizes of cushioned eartips and optional stabilizers make the fit custom and comfortable
- Inline controls make it easy to take calls, skip tracks and adjust volume
- Bluetooth® technology lets you connect to smartphones or tablets for music, media, and calls
- Big sound in a small package – sound-isolating buds for rich stereo sound
- Charge your earbuds and phone simultaneously with the 2-in-1 USB charging cable
- Battery meter shows automatically on your iPhone or iPad indicating the charge left on your earbuds
- Plantronics MyHeadset™ app enables an earbud battery meter on Android™ 3.0 tablets, and Android 4.0 phones and tablets
