Plantronics Controller and Dispatch (CD) Headsets

These lightweight headsets feature narrow-band receiver audio and are optimized for use in mission-critical applications such as Air Traffic Control and Emergency Dispatch. They are terminated with Plantronics H-Type 4-Pin QD (Quick Disconnect) and are compatible with our Audio Processors such as the SHS 1890, SHS 2355, CA12CD, and M22. All models are CE approved.
