

PLANTRONICS DISCOVERY® 925

Look Good, Sound Better™

The Plantronics Discovery® 925 Bluetooth earpiece is your essential conversation piece, blending an elegantly simple design with crisp sound quality and lightweight comfort.

Getting connected is easy with QuickPair™ set up for Bluetooth phones. Staying connected is effortless with the included, innovative carrying case that recharges the earpiece on the go. Your choice of self-stabilizing eartips creates a couture fit without the need for an earloop.

Hear and be heard in style with AudioIQ® noise control technology that automatically enhances your caller's voice over background noise and the exclusive Plantronics VFrame™ design that incorporates a microphone boom to increase your voice clarity.

- VFrame™ design captures your eye as well as your voice
- Rechargeable case keeps you in charge
- AudioIQ® noise control technology for clear calls
- Also available in metallic and jewel tone colors
- Enjoy up to 5 hours talk time or 7 days standby from a single charge
