• Ensure that sensitive conversations stay private—headsets are DECT™ security certified by the DECT™ forum using the latest security standards

• Tune out office noise and nearby conversations with noise canceling microphone plus close conversation limiting

• Get crystal clear audio with the latest DECT™ technology supports wideband audio without impacting user density

SAVI 8200 OFFICE AND UC SERIES

Noisy workspace? No problem. Invest in getting more done with the Savi 8200 Office and UC Series headsets. Tune out nearby noise and keep every conversation secure, private, and clear with close conversation limiting noise cancellation. Give your employees the freedom to roam plus long talk time—the unique hot swappable battery option even makes it unlimited.* With multiple wearing styles, you can let every member of your team pick their favorite or keep their options open with the convertible model. Wherever you work, the Savi 8200 Office and UC Series helps you be at your best all day long.

• Choice of wearing styles, including the 3-in-1 convertible options (Savi 8240/8245)
• Line of sight range up to 590 feet/180 meters
• Up to 13 hours talk time with over-the-head (OTH) models (Savi 8210/8220)
• Up to 7 hours talk time (Savi 8240) or unlimited talk time with the Savi 8245 model

*Savi 8245
