StarSet®
Model H31CD (PN: 43674-01)

All-day comfort: The StarSet is ideal for those who need a comfortable, convenient headset. The ultra-lightweight StarSet headset rests gently behind the ear. Its soft, pliable ear tips gently conform to the natural contours of your ear while providing the acoustic seal necessary to block out background noise.

Superior sound: StarSet microphone and speaker provide clear and natural voice tones.

Voice Tube: Adjustable, light weight and unobtrusive, delivers great sound quality in all but the noisiest environments.

Quick Disconnect™: Facilitates compatibility with Plantronics audio processors, USB audio processors and "direct connect cables.
