	Call button
	Charge port
	Headset LED (indicator light)
	Power button
	Volume up
	Volume down
	Track back
	Track forward
	Play/pause
	Mute

Be safe

Please read the safety guide for important safety, charging, battery and regulatory information before using your new headset.

Pair

Get paired The first time you power on your headset, the pairing process begins.

- 1 Slide the power switch on. You hear "pairing" and the indicator  light flashes red and blue.

- 2 Activate Bluetooth® on your phone and set it to search for new devices.

- **iPhoneSettings** > **Bluetooth** > **On***
- **AndroidSettings** > **Bluetooth:On** > **Scan for devices***

NOTE *Menus may vary by device.

- 3 Select "PLT E100 Series".

If necessary, enter four zeros (0000) for the passcode or accept the connection.

Once successfully paired, you hear "pairing successful" and the indicator  light stops flashing.

Pair mode

While wearing your headset, power it on. Press and hold the Call  button until you hear "pairing". You can pair up to two devices to your headset.

Basics

Answer or end a call

Tap the Call ☎ button.

Adjust the volume

Tap the Volume up 🔊 or Volume down 🔊 button.

Mute

During a conversation, press both the Volume up 🔊 and Volume down 🔊 buttons for 2 seconds until you hear "mute on" or "mute off".

Redial

Double-tap the Call ☎ button to call the last number you dialed.

Voice control

Siri, Google Now™, Cortana Press the Call ☎ button for 2 seconds and wait for the phone prompt to activate voice dialling, search, and other smartphone voice controls.

Select language

Press and hold the Volume up 🔊 and down 🔊 buttons together until you hear "welcome". Follow the voice-guided prompts to select the headset language.*

NOTE *Language selection not available in Europe, Russia and Africa.

Pair mode

While wearing your headset, power it on. Press and hold the Call ☎ button until you hear "pairing". You can pair up to two devices to your headset.

Charge and fit

Charge

It takes 2 hours to fully charge the headset; the indicator  light turns off once charging is complete.

Adjust the fit

The universal-fit ear tip has a thin loop that bends to gently tuck into the contours of either ear. To adjust the fit, you can rotate the ear tip on the headset or add the optional clip-on ear loop.

Headset features

Music and more Listen to your music, podcasts, navigation and other streaming audio on your headset.

Play or pause audio

Press both Volume buttons at the same time.

Skip to next track

Press the Volume up  button for 2 seconds.

Play previous track

Press the Volume down  button for 2 seconds to restart current track. Press the button twice (each button press 2 seconds) to go to previous track.

Decipher the lights

Your headset has an indicator light  that flashes in response to a change in status or after a button press.

Some examples of what you will see are:

- Solid red until charging is complete and then solid blue
- Flashing red and blue during pairing
- Double red flash when battery is low
- Double blue flash at incoming call

Voice prompts

Your headset tells you about status changes. For example:

"Power on"

"Pairing successful"

"Phone 1 connected"

"Talk time (x) hours"

"Mute on"

"Answering call"

"Recharge headset"

DeepSleep mode

If you leave your headset powered on but out of range of your paired phone for more than 120 minutes, your headset will conserve its battery power by entering into a DeepSleep® mode.

Once back in range with your phone, press any button to exit DeepSleep mode. If your phone is also ringing, tap the Call  button again to answer your call.

Install the app

Get the most from your headset by installing our free mobile app, Plantronics Hub for iOS/Android. Explore all of your headset's features, view instructions, and contact Plantronics support easily from your smartphone.
