SAVI 7400 OFFICE SERIES

BENEFITS

- Keep your conversations private and clear with DECT™ Security and a noise-canceling microphone with acoustic fence technology.
- With 2x better density than other DECT™ headsets, more people in shared spaces benefit from wireless headsets with clear, interference-free audio.
- With 3-way connectivity, a universal base, and easy set-up and pairing, the Savi 7400 office series is the perfect solution for the modern office.

BUILT FOR THE MODERN OFFICE

Designed for the modern office with enhanced density performance, multi-device connectivity and advanced security features. You can deploy this headset across the company so everyone will benefit from increased productivity and wireless freedom.

- Connects to computer, desk phone and mobile
- Noise-canceling mic enhanced with Poly Acoustic Fence technology
- Conference up to 4 headsets onto a single base
- Designed to meet the DECT™ Security Step C — the highest security level from DECT™ Forum¹.
