**LIGHTWEIGHT. COMFORTABLE. ALWAYS ON.**

**BENEFITS**

- Comfortable for all-day wear, it’s the lightest Bluetooth® headset for contact center use, weighing in at .75 oz/21 g.

- Wearers can collaborate on the move, with a wireless range up to 328 ft /100 m.

- Bluetooth technology allows for seamless and easy global wireless deployment.

- The connection with the customer is never lost thanks to continuous battery life with high-quality wideband audio.

- Any distracting noise surrounding the speaker is blocked by the noise-canceling microphone.

**POLY VOYAGER 4245 OFFICE**

Voyager 4245 Office is a pleasure to wear—the lightest Bluetooth headset of its kind. Everyone can move freely and collaborate in comfort, all day. Because losing connection with a customer is bad for business, Voyager 4245 has continuous battery life for unlimited talk time*. If a battery runs low, it can be swapped out mid-call—so conversations stay on track, and customers stay happy. Three wearing options on a single device keep your teams happy too—and makes for easy ordering and stock control. And we topped it all off with high-quality audio, so you get a headset that delivers an all-around great experience:

- Noise-canceling microphone
- SoundGuard Digital daily noise protection included
- High-quality wideband audio
- Visual and audible alerts indicate battery level
- Microsoft Teams version available with dedicated Teams button for instant access
