VOYAGER 5200 OFFICE AND UC SERIES

Workers in and out of the office need a Bluetooth® headset that moves with them. Voyager 5200 Office and UC Series headset system sounds professional in any environment whether connected to a desk phone, PC or mobile. With six layers of WindSmart technology and four omni-directional microphones to reduce distracting background noise, nothing gets in the way of a clear connection—no matter what type of device they are using to communicate with in and out of the office. Sleek and pocket-sized, the headset is comfortable enough to wear all day. And workers don't have to worry about battery life due to convenient charging options. The Office and UC Series makes sure they're ready to talk whenever, wherever.
