POLY CCX 600

A larger screen can make all the difference. The Poly CCX 600 Business Media Phone for Microsoft Teams boasts a 7” screen—perfect for managers and executives, and anybody who needs more room to do their thing. Count on legendary audio quality, Poly HD Voice, and Poly Acoustic Clarity. Poly Acoustic Fence wipes out distracting background noise. So noisy places like open offices don’t get in the way of meaningful and productive discussions. Conversations stay on track thanks to full duplex speakerphone operation with world-class echo cancellation.

The interface is simple and intuitive, so users can get to work immediately. And the phone is fast and responsive, designed with the latest powerful chipsets. Just one touch away is a dedicated Microsoft Teams button—plus contacts and meetings on the color LCD display. Robust provisioning and management enable efficient telephony deployment and support. And it’s easy to install anywhere—Wi-Fi is included. Now let’s talk options. Choose a handset or no handset. Poly CCX 600. Productivity starts here.
