POLY CCX 600

A larger screen can make all the difference. The Poly CCX 600 Business Media Phone boasts a 7” screen — perfect for managers and executives, and anybody who needs more room to do their thing. Count on legendary audio quality, Poly HD Voice, and Poly Acoustic Clarity. Poly Acoustic Fence technology wipes out distracting background noise. So noisy places like open offices don’t get in the way of meaningful and productive discussions. Conversations stay on track thanks to full duplex speakerphone operation with world-class echo cancellation.

The interface is simple and intuitive to use with one-touch-access to your contacts and meetings. And the phone is fast and responsive, designed with the latest powerful chipsets. Robust provisioning and management enable efficient telephony deployment and support. And it’s easy to install anywhere — Wi-Fi is included. Now let’s talk options. Productivity starts here.
