Cordless IP Phone with Dect Wireless Technology

Benefits

- Enables in-office wireless communication with business features including call waiting, do not disturb, hold, forward and call transfer
- Improves productivity with features like call park, call pickup, intercom and distinctive incoming call treatment
- Workplace mobility—up to 50 m (165 ft) indoor and up to 300 m (980 ft) outdoors from the base
- Provides a powerful and expandable solution by supporting 10 handsets per base, 8 lines and 8 simultaneous calls

Poly VVX D230 DECT IP Phone

Your team is on the move and needs a handset that keeps up. Our VVX D230 DECT IP phone works as hard as any desk phone. Business features include: do not disturb, intercom, local three-way audio conferencing, and a high-resolution color display—just to name a few. Everyone on the call will have clear, interruption-free conversations with acoustic echo cancellation and background noise suppression. Don't bother adding IT on speed dial. Get reliability, performance, and less hassle with this wireless IP phone.

- Intercom, call park/pickup
- Called, calling, connected party information and missed call notifications
- Local three-way audio conferencing
- One-touch speed dial and redial
- Support for HD Voice (G.722, Opus)
