

THREE YEARS OF HEADSET CARE YOU CAN RELY ON

BENEFITS

- Replace faulty headsets anytime within the first three years, with free return of original headsets and free overnight delivery of replacements*
- Enjoy the confidence of knowing your teams will have the headsets they need to be productive, regardless of headset warranties
- Manage your headset inventory and forecasting more accurately, knowing that you can count on every headset being functional for three years
- Count on this global service to more effectively manage multinational budgets and headset upgrade plans

THREE-YEAR HARDWARE REPLACEMENT SERVICE FOR COLLABORATION AND CONTACT CENTER DEVICES

We can't see the future, but we can guarantee that your team's headsets will be in good repair. Our Three-Year Hardware Replacement Service for Collaboration and Contact Center Devices helps you accurately control and forecast expenses, since you know that every headset is good to go for three years. With all headsets on the same replacement plan, it's easier to manage inventory and plan global rollouts. And we do our best to deliver replacement headsets on the next business day, worldwide. Count on telephone support 24 hours a day, 6 days a week, too. Say hello to more peace of mind and fewer headset worries.

- Empower your teams to manage headsets according to their preferences
- Put all devices under the same plan for easier management
- Reduce the total cost of ownership
- Get free delivery and collection of any faulty device around the globe
- Get Next Business Day delivery with our expedited carrier program
- Get telephone support 24 hours a day, 6 days a week
- Choose this replacement service when you purchase headsets for added peace of mind
