What's new

In this release, Poly adds the Poly Room Kits Base Bundle with Fiber Optic Cable and the Poly Room Kits Base Bundle with USB Extender.

Poly Studio Base Kit for Microsoft Teams Rooms (with 10 m USB cable)

The Base Room Kit with 10 m USB cable for Microsoft Teams Rooms is an ideal solution on which to build a Microsoft Teams Room. It consists of a powerful, Intel® Core™ i7-driven HP Mini Conferencing PC with Microsoft Teams Rooms, a Poly GC8 USB touch controller, and a 10 m active optical USB cable. USB camera and audio device not included.

Poly Studio Base Kit for Microsoft Teams Rooms (with CAT5e extender)

The Base Room Kit with CAT5e USB Extender for Microsoft Teams Rooms is an ideal solution on which to build a Microsoft Teams Room. It consists of a powerful, Intel® Core™ i7-driven HP Mini Conferencing PC with Microsoft Teams Rooms, a Poly GC8 USB touch controller, and a Category 5e USB extender that supports a cabling distance of up to 100 m (328 ft). USB camera and audio device not included.

Poly Focus Room Kit with Poly Studio P15

The Poly Focus Room Kit with Poly Studio P15 is an ideal solution for small rooms. The Poly Focus Room Kit includes the Poly GC8 touch controller, Poly Studio P15, and 10 m fiber-optic USB cable. The Poly Focus Room Kit requires a Conferencing PC running Microsoft Teams Rooms software. Poly offers an HP, Dell, or Lenovo PC, sold separately.

Poly Small Room Kit with Poly Studio R30

The Poly Small Room Kit with Poly Studio R30 is an ideal solution for small rooms. The Poly Small Room Kit includes the Poly GC8 touch controller, Poly Studio R30, and a 10 m USB-A to USB-C cable. The Poly Small Room Kit requires a Conferencing PC running Microsoft Teams Rooms software. Poly offers an HP, Dell, or Lenovo PC, sold separately.

When using Poly Studio R30 with Microsoft Teams Rooms, Microsoft recommends turning off Auto Tracking and Auto Zoom, the default behavior for Poly Studio R30.

Poly Small/Medium Room Kit with Poly Studio

The Poly Small/Medium Room Kit with Poly Studio is an ideal solution for medium-sized conference rooms. The Poly Small/Medium Room Kit includes the Poly Studio USB video bar for audio and video, along with the GC8 touch controller, and a 10 m USB-A to USB-C cable. The Poly Small/Medium Room Kit requires a Conferencing PC running Microsoft Teams Rooms software. Poly offers an HP, Dell, or Lenovo PC, sold separately.

Poly Large Room Kit with Poly Studio E70

The Poly Large Room Kit with Poly Studio E70 is an ideal solution for large conference rooms. The Poly Large Room Kit includes Poly Studio E70, the GC8 touch controller, and a 10 m USB-A to USB-C cable. The Poly Large Room Kit requires a Conferencing PC running Microsoft Teams Rooms software. Poly offers an HP, Dell, or Lenovo PC, sold separately.
