Poly Studio E70 Video Conferencing Camera

This document covers Poly Studio E70 (P025).

Service Agreements

Please contact your Poly Authorized Reseller for information about service agreements applicable to your product.

Safety Instructions

To reduce the risk of fire, electric shock, injury to persons and damage to property, read all operating instructions and the following safety instructions before using your Poly product.

Warnings

- This equipment is intended for indoor use only.
- Do not spray liquids directly onto the system when cleaning. Always apply the liquid first to a static free cloth.
- Do not immerse the system in any liquids or place any liquids on it.
- Do not disassemble this system. To reduce the risk of shock and to maintain the warranty on the system, a qualified technician must perform service or repair work.
- There are no user serviceable parts inside this product.
- This equipment is not intended to be operated by children.
- Users must not service any parts in compartments that require a tool to access.
- This equipment should be used only on even surfaces.
- Keep ventilation openings free from any obstructions.
- The ambient operating temperature rating of this equipment is 0-40°C and should not be exceeded.
- This equipment is not intended to be directly connected to outdoor cables.
- The marking information is located at the bottom of the equipment.

Power Input Rating:
- 12Vdc / 1.2A from optional supplied PSU
- 37-56Vdc / 0.35A(Max) from PoE power source
Additional Warnings for Products with a Power Supply

- Always disconnect the system from power and telecommunications networks before cleaning or servicing.
- This product is intended to be powered by an external Limited Power Source (LPS) power supply. Use only the type which is supplied with this product.
- This system is considered to be Pluggable Equipment Type A. The socket outlets must be installed near the equipment and be easily accessible.
- Additional Warnings for Products with a Power Cord
- Do not use a power cord that is damaged. This could cause fire or electric shock. Contact the manufacturer for a replacement cord, if necessary.
- Only use a power cord which is appropriately rated and approved relevant to the country of use.
- When connecting to the mains supply, connect only to an earthed supply outlet which is installed near the equipment and is easily accessible.

Additional Warning for Products with Power over Ethernet (PoE) Functionality

- If the product is powered using Power over Ethernet, you must use an appropriately rated and approved networking device, or the power injector identified for use with this product.
- Equipment designed to be connected to a Power Over Ethernet (PoE) source must only be connected to a IEEE 802.3 compliant PoE power source.

Additional Warning for Products that Can Be Wall Mounted

- Ensure that the wall is able to support the weight of the product. Use appropriate mounting and anchoring hardware for the wall type. Failure to provide adequate structural strength can result in damage to the equipment, voiding the warranty, and causing possible serious personal injury. The installer is responsible for conforming to all applicable building codes and requirements of local, state, and federal jurisdiction.

United States

Caution: Pursuant to 47CFR§15.21 of the FCC Rules, any changes or modifications to this equipment not expressly approved by HP Inc. may cause harmful interference and void the FCC authorization to operate this equipment.

Class A Digital Device

This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. Operation of this equipment in a
residential area is likely to cause harmful interference in which case the user will be required to correct
the interference at his own expense.

Responsible Party issuing FCC Supplier's Declaration of Conformity:

HP Inc.
1501 Page Mill Road,
Palo Alto 94304
USA
650-857-1501

Modifications - In accordance with part 15 of the FCC rules, the user is cautioned that any changes or
modifications not expressly approved by Polycom, Inc. could void the user's authority to operate the
equipment.

Canada

This Class [A] digital apparatus complies with Canadian ICES-003.
Cet appareil numérique de la classe [A] est conforme à la norme NMB-003 du Canada.

CE Mark

CE/UKCA Mark Declarations

The Poly Studio E70 components are marked with the UKCA and CE marks, as applicable. This mark
indicates compliance with the relevant EU Directives and UK regulations requirements, as applicable. A
full copy of the relevant Declaration of Conformities can be obtained from:

HP REG 23010, 08028 Barcelona, Spain
HP Inc UK Ltd., Regulatory Enquiries, Earley West, 300 Thames Valley Park Drive, Reading, RG6 1PT

EU Declaration of Conformity

Hereby, HP declares that the equipment RMN: P025 is in compliance with Directive 2014/53/EU. The full
text of the EU Declaration of Conformity is available at the following Internet address:
www.hp.eu/certificates (search with RMN).

UKCA Declaration of Conformity

Hereby, HP declares that the equipment RMN: P025 is in compliance with the relevant statutory
requirements. The full text of the Declaration of Conformity is available at the following Internet address:
www.hp.eu/certificates (search with RMN).
India

India RoHS
This product, as well as its related consumables and spares, complies with the reduction in hazardous substances provisions of the "India E-waste (Management and Handling) Rule 2022". It does not contain lead, mercury, hexavalent chromium, polybrominated biphenyls or polybrominated diphenyl ethers in concentrations exceeding 0.1 weight % and 0.01 weight % for cadmium, except for where allowed pursuant to the exemptions set in Schedule 2 of the Rule.

Australia

Warning: This equipment will be inoperable when mains power fails.

Class A Warning
Warning: This is a class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

New Zealand

Class A Warning
Warning: This is a class A product. In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

Japan

この装置は、クラスA機器です。この装置を住宅環境で使用すると電波妨害を引き起こすことがあります。この場合には使用者が適切な対策を講ずるよう要求されることがあります。

用户须知
欢迎使用惠普 RMN/型号/型号: P025 为了您及产品的安全，请您务必注意如下事项：
1. 产品要和地线相接，要使用有正确接地插头的电源线，使用中国国家规定的220V电源。
2. 避免高温和多尘土的地方，否则易引起产品零部件的损坏。
3. 避免接近高温，避免接近直接热源，如太阳光直射，暖气等其他发热体。
4. 不要有异物或液体落入机内，以避免零部件短路。
5. 不要将磁体放置于产品附近。

警告
为防止火灾或触电事故，请不要将该产品淋雨或者放置于潮湿处。

EU WEEE – End of Life products

Poly encourages you to recycle your end-of-life Poly products in an environmentally considerate way. In accordance with the requirements of the European Waste Electronic and Electrical Equipment (WEEE) Directive, all Poly products are marked with the crossed wheelie bin symbol shown below. Products that carry this symbol should not be disposed of in the household or general waste stream. Detail of the options open to you and the guidance on the requirements for the recycling and environmentally considerate disposal of your end of life Poly products can be found at http://www.poly.com/WEEE.
