POLY STUDIO R30

The Poly Studio R30 USB video bar offers a dynamic camera experience that ensures everyone is seen clearly — making meetings easier and more inclusive than ever, with Poly DirectorAI technology. Enjoy rich audio that filters out background noise and makes sure everyone is heard clearly. IT managers love how easy it is to set up, manage, and deploy and with cloud-based Poly Lens management functionality, it’s a win-win. This plug-and-play video bar offers maximum meeting quality with minimum hassle.

- Sharp 4K camera with 120-degree field of view.
- Poly DirectorAI smart camera technology.
- Powerful integrated speaker.
- Multi-microphone array.
- Works with any video app on your PC or Mac.

AN EASY-TO-USE USB VIDEO BAR FOR SMALL CONFERENCE SPACES

BENEFITS

- Poly DirectorAI technology ensures everyone is seen clearly with pinpoint-accurate automatic framing and tracking.
- Connect to Poly Lens over Wi-Fi to ensure the device can always be managed from anywhere, even when not connected to a computer.**
- Hear pristine clarity and rich sound with a powerful integrated speaker featuring acoustic suspension with a passive radiator.
- Make sure you’re always heard clearly with an advanced multi-microphone array.
- Prevent distracting noises and side conversations from interrupting your meetings with NoiseBlockAI and Acoustic Fence technologies.
