

# TRADE-UP FOR MEETING EQUALITY

Trade-in your old video equipment to new Poly video solutions for a more consistent and engaging meeting experience for everyone, everywhere.

Meeting equality in hybrid work environment begins with meetings that are inclusive for physical and virtual attendees.

Upgrade legacy video conferencing rooms to the latest certified meeting room solutions that provide a native Microsoft Teams or Zoom Meeting experience. Poly innovation in the meeting room ensures all meeting participants can be seen and heard equally, whether joining in person or virtually.
