Poly creates premium audio and video products so you can communicate at your best using BlueJeans by Verizon — anywhere, anytime, every time. Our headsets, video and audio conferencing products, analytics software and services are beautifully designed and engineered to work simply and flexibly with BlueJeans, creating a one-stop shop for all your organization’s personal and group collaboration device needs. And our union with HP means they also are part of an ecosystem of innovative and easy-to-use solutions and services that simplify hybrid working.

With Poly, BlueJeans Virtual Meetings, BlueJeans Rooms and BlueJeans Telehealth, experiences are better than ever.
BEST END-TO-END BLUEJEANS EXPERIENCE

POLY OFFERS A COMPLETE SUITE OF BLUEJEANS SUPPORTED DEVICES

- Whichever BlueJeans solution you are using, Poly has beautifully designed and engineered audio and video products.
- Poly Studio X and G7500 video room systems run BlueJeans Rooms natively—no additional PC required.
- Poly headsets deliver crazy good audio, so you can command the conversation with confidence while using BlueJeans conferencing services.

OUR VALUE TO OUR CUSTOMERS AND PARTNERS

- Business leaders—Poly and BlueJeans bring you and your teams more ways to communicate, collaborate and improve productivity.
- IT managers—Poly devices are easy-to-install and manage—built with BlueJeans in mind.
- Business partners—Today's Poly and BlueJeans users are on the go and at their desks. Our global support team helps them wherever they are.
