Poly creates premium audio and video products so you can communicate at your best using RingCentral — anywhere, anytime, every time. Our desk phones, headsets, video and audio conferencing products, analytics software and services are beautifully designed and engineered to work simply and flexibly with RingCentral, creating a one-stop shop for all your organization’s personal and group collaboration device needs. With Poly, RingCentral MVP, RingCentral Video, RingCentral Rooms and RingCentral Contact Center experiences are better than ever.
BEST END-TO-END RINGCENTRAL EXPERIENCE

POLY OFFERS A COMPLETE SUITE OF RINGCENTRAL SUPPORTED DEVICES

- Whichever RingCentral solution you are using, Poly has beautifully designed and engineered audio and video products.
- Poly desk, conference and speakerphones work seamlessly with RingCentral’s business phone system.
- Poly Studio X and G7500 video room systems run RingCentral Rooms natively — no PC required.
- Poly headsets deliver crazy good audio, so you can command the conversation with confidence using RingCentral phone, video or contact center solutions.

OUR VALUE TO OUR CUSTOMERS AND PARTNERS

- Business leaders — Poly and RingCentral bring you and your teams more ways to communicate, collaborate and improve productivity.
- IT managers — Poly devices are easy-to-install and manage — built with RingCentral in mind.
- Business partners — Today’s Poly and RingCentral users are on the go and at their desks. Our global support team helps them wherever they are.
BLACKWIRE 8225

- Connects via USB-A or USB-C.
