• Focus audio for a more productive day at your desk.
• Easily access self-help guides, support information to minimize disruption to your workday.
SUPPORT, PROFESSIONAL, AND MANAGED SERVICES
### POLY+

- Unlimited, global 24x7 technical support giving you and your teams help how and when needed.
- Ecosystem Cloud Partner Support improves response times in Poly-enabled ecosystem cloud solutions.
- **Advance hardware replacement** means that you can replace your device/s with pre-paid next business day shipping, ensuring business continuity.
- Exclusive professional services discounts available to save your business time and money with special discounts.
- Experience upgraded access to premium features elevating your collaborative experience with IT tools, device-specific enhancements, and capabilities all delivering a superior user experience and greater adoption across your entire enterprise.

### IDEAL FOR

- IT professionals responsible for collaboration solutions, and for the prosumer working from home and looking for a high quality experience.

### PLAN & DESIGN

- Plan the optimal solution to reduce deployment risks.
- Plan and design a solution aligned to your business objectives.
- Have peace of mind that your UC strategy is aligned for future business requirements.
- Drive adoption to realize the benefits which underpin your business case.
- Flexible capability supported by a multi-disciplinary team of consultants capable of delivering in the most demanding environments.

### DEPLOYMENT

- Ability to support proof of concepts to demonstrate the solution working in your environment.
- Seamless migration from proof of concept into your production environment.
- Expedite your return on investment by adding Poly experts to your team to fill any capability gaps.
- Remote and onsite options available for voice and video.

### IDEAL FOR

- IT directors who need help realizing the benefits underpinning their UC business case.

### IDEAL FOR

- IT directors looking to convert their plan into reality and quickly achieve the anticipated benefits.
IDEAL FOR
IT directors who want to extract additional value from your existing investments.

OPTIMIZATION
- Optimize your communication and collaboration solutions so they perform at the highest level.
- Troubleshoot challenges with your wider environment such as network, security, or your cloud platform(s) of choice.
- Family of off-the-shelf business apps to improve end user productivity and streamline administration tasks.

IDEAL FOR
IT pros and leaders looking to maximize the value of their headset investment.

HEADSET SERVICES
- A suite of services for better planning, headset deployment, adoption, longevity, and replacement.
- Minimize wireless interference in workspaces with density analysis.
- Smooth installation and deployment, with end user assistance to accelerate adoption and productivity.
- Maximize headset life and accurately manage inventory.

IDEAL FOR
IT directors looking to outsource the hosting and day-to-day managing of their UC solutions.

MANAGED SERVICES
- Remotely monitor and manage the performance of your collaboration solution.
- Provide predictable network reliability, availability, and security for your mission critical collaboration solution.
- End-to-end, turnkey solution for Microsoft Teams and Zoom.
- 24x7 global coverage.
- Private hosted options available.
