Whether you’re an executive leader, a team manager with a busy home life, a call center agent, or anyone in between, we all need to see and hear each other clearly to be effective. Poly empowers teams to work as one, wherever in the world they may be, with intelligent technology that removes distractions and brings focus to whomever is speaking so everyone can engage equally. And we’re not satisfied until no one can remember whether you were on the screen or in the room.
YOUR TYPICAL HOME OFFICE ENVIRONMENT
• Dedicated workspace and professional setup.
• Similar equipment to office.
• In meetings 80% of the time.

YOUR COMMUNICATIONS NEEDS
• Highest-quality, advanced technology.
• Easy setup and use.
• Hear and see all participants clearly.
• Prevent nearby noise from disrupting calls.

HIGH-QUALITY EXPERIENCES TO ERASE DISTANCE AND AMPLIFY IDEAS.

VOYAGER FOCUS 2
Crazy good sound and the best performance around
• Advanced hybrid ANC with three settings to optimize.
• Callers hear you, not your surroundings, with advanced multiple-microphone noise canceling in a discreet microphone boom and Acoustic Fence technology.

POLY STUDIO P5 WITH POLY SYNC 20+ KIT
Premium speakerphone and webcam combo for the high-performance professional
• Always look professional with exceptional camera optics that are optimized for video conferencing.
• Maintain proper light exposure, even in darker rooms, with automatic low-light compensation.
• Gain confidence you are clearly seen with brilliant colors designed to show you at your best.

POLY STUDIO P15
The personal video bar that’s the closest thing to being there
• 4K resolution for sharp, crisp images and automatic framing to always stay centered on camera.
• Pristine clarity and rich sound with a powerful integrated speaker featuring acoustic suspension with a passive radiator.

POLY STUDIO P21
The personal meeting display where form and function unite
• A personal meeting display providing a complete video experience with a single USB connection.
• Hear and be heard clearly with integrated stereo speakers and microphone array.
• Look your best with exceptional camera optics and dynamic ambient lighting.
YOUR TYPICAL REMOTE ENVIRONMENT
- Family members in active household may include children, pets, and other working adult(s).
- Workspace can vary between shared space and dedicated space.
- Adults may take turns watching children.
- In meetings 50% of the time.

YOUR COMMUNICATIONS NEEDS
- Ability to block out distracting background noise.
- Clear video for meetings where you must be on camera.
- Freedom to move around during meetings to check on kids or answer the door without interrupting a call.

VOYAGER FOCUS 2
Crazy good sound and the best performance around
- Advanced hybrid ANC with three settings to optimize.
- Callers hear you, not your surroundings, with advanced multiple-microphone noise canceling in a discreet microphone boom and Acoustic Fence technology.

WHEREVER IN THE WORLD YOU MAY BE, ENSURE YOUR VOICE IS HEARD.

YOUR TYPICAL REMOTE ENVIRONMENT
- Majority of day spent traveling.
- Frequent participation in calls while in transit (cars, planes, trains, taxis, coffee shops).
- May host conference calls with multiple people in the same location.

YOUR COMMUNICATIONS NEEDS
- Compact devices that are easy to carry and use.
- Long battery life.
- Ability to hear and be heard clearly in noisy environments.
- Seamless technology integration with laptop and mobile phone.

VOYAGER 5200 UC
Pocket sized Bluetooth mono headset for workers on-the-go
- Sounds professional in any environment whether connected to a PC or mobile phone.
- Nothing gets in the way of a clear call with WindSmart technology and four omni-directional microphones to reduce distracting background noise.
- All day comfort in a very discreet package.

POLY SYNC 20
The smarter speakerphone that works wherever you do
- Remarkable sound with up to 20 hours of battery life for immersive music, multimedia, or meetings.
- Reduces echo and noise so meeting-goers can hear the speaker clearly.
- Slim and portable—so deployment is simple and it can be used anywhere work takes place.
